

2015 IMMUNIZATION / LEAD SCREENING CLINIC SCHEDULE

You must contact your insurance company to see if it covers the cost of immunizations. If it does, your child must receive their vaccines at the doctor's office.

Any child who is 18 years of age or younger whose insurance does not pay for vaccines, or is on Medicaid (Title XIX), or who has no insurance at all is welcome to come to our clinics UNLESS YOU ARE A PATIENT OF FAMILY MEDICINE CLINIC IN ONAWA OR BURGESS FAMILY CLINIC IN MAPLETON, since they are also VFC providers.

OUR CLINICS ARE NOW BY APPOINTMENT ONLY. PLEASE CALL [712-433-1773](tel:712-433-1773) TO SCHEDULE AN APPOINTMENT FOR IMMUNIZATIONS OR LEAD TESTS. If one of the following dates doesn't work for you, our team can make special arrangements to make other times that month work.
