**Attach an aerial photo from the Monona County website with the proposed structure drawn and setbacks listed.**

Building inspections are not required or performed by Monona County. Monona County staff will upon request inform the contractor/owner of the setback requirements and it is the responsibility of the contractor/homeowner to know where the lot lines are and obey the setbacks given to them by Monona County. All flood plain and Corp easements should be documented and appropriate setbacks obeyed or a survey should be done before building structure, this is the responsibility of the property owner. All building requirements can be found in the Monona County Zoning Regulations, Chapter 100.26.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of this permit does not presume to give authority to violate or cancel the provision of any other state or local law regulating construction of the performance of construction.
