Disabilities:

Child Health Specialty Clinics
St. Luke's Regional Medical Center
2720 Stone Park Blvd.
Sioux City, IA. 51104
Phone: 712-279-3411
Website:

<http://www.uihealthcare.com/depts/med/pediatrics/divisions/childhealthspecialty.html>

The Sioux City site is one of 13 Child Health Specialty Clinics that are part of the University of Iowa Children's Hospital. These clinics serve children with special medical needs from birth through age 21 who live in Iowa. Some of these needs may be physical, developmental, behavioral or emotional.

Crossroads of Western Iowa
301 10th St.
Onawa, IA. 51040
Phone: 712-423-1477
Website: <http://www.explorecrossroads.com/>

"Crossroads of Western Iowa serves individuals with developmental disabilities, intellectual disabilities, chronic mental illness and brain injury. Its mission is to empower individuals to actively seek out opportunities for an enhanced quality of life." They have offices in Missouri Valley, IA., Onawa, IA., Council Bluffs, IA, and Sioux City, IA.

Family to Family Iowa
5665 Greendale Road, Suite D
Johnston, IA 50131
Phone: 800-450-8667
Website: www.familytofamiyiowa.org

"Family to Family Iowa is a statewide network of Family Navigators who provide assistance to families of children with special needs (developmental, behavioral, emotional, physical) at no cost to families." They also help families:

- Navigate the supports and services available for their child with special needs
- Navigate the supports and services for other family members. It's not just about the child with special needs.
- Develop self-advocacy skills through trainings and more
